- Elections are held every October for two officer positions and four members of the council. Two-year terms are staggered

Brief History

The band has inhabited the Lac du Flambeau area since 1745 when Chief Keeshkemun led the band to the area. The band acquired the name Lac du Flambeau from its gathering practice of harvesting fish at night by torchlight. The name Lac du Flambeau or Lake of the Torches refers to this practice and was given to the band by the French traders and trappers who visited the area.

The Lac du Flambeau Reservation was officially established by treaties in 1837 and 1842. The area was continually logged in the following years and became a tourist destination for families from southern Wisconsin and Illinois around the turn of the century.

To increase economic activity and foster self-reliance among the various Native American communities, the tribe began bingo and casino operations. Revenues generated by the casino operations would go to the tribe and directly benefit the economic and social development of the community. The casino has enhanced both the economy of the Lakeland area and to provide public services to residents in Lac du Flambeau.
